mittee may convene the Legislature in special session, and may by a vote of eight of its number suspend any State officer from his office until the expiration of the next s:ssion of the Legislature.

THE LEGISLATURE. EXTRA SESSION-SECOND DAY.

SENATE. THE SENATE.

The Senate met at 3 P. M., pursuant to adjournment, Lieutenant-Governor Daggett in the chair. Journal of Monday read and approved.

Whitney offered a bill entitled an Act to amend Sections 3614 and 3645 of the Political Code, relating to ships and vessels.

Ryan offered a resolution to the effect that all bills usually referred to the Committee on Comment.

pills usually referred to the Committee on Corpora-cions be considered in Committee of the Whole, thereby doing away with the Committee on Corpo-nations. The resolution was opposed by Messrs. Del Valle, Icclure and Vrooman on various grounds.

Ryan temporarily withdrew his resolution, and tellogg effered a substitute providing for the apointment of six standing committees, namely: m Contingent Expenses, Mileage, etc.; Judiciary, Eurolled Bills, Engrossed Bills, Printing, and Rules. On motion of Murphy, the substitute was laid on he table.

On motion of Murphy, the succession of table.

Ryan, by request, withdrew the resolution.

The substitute offered by Cross, on Menday, to the resolution by Filcher—which resolution named a Committee on Rules—was taken up, on motion of Del Valle, and adopted. [The substitute provides that the President of the Senate shall appoint a committee of five on Standing Rules.]

Kelly of Solano called up his resolution of yesterday, providing for an additional Assistant Journal Clerk. Carried. By subsequent resolution offered by Kelly Jennie Nyrod was appointed. y Kelly Jennie Nyrod was appointed.
Sullivan moved to amend by inserting the name f Mrs. Sawyer, of San Francisco.
Baldwin moved that the whole matter be referred to the Committee on Contingent Expenses. Carted

a clerk.

Del Valle offered a resolution providing for a committee of five on mileage. Adopted.

A. T. Vogelsang was allowed mileage and salary for one day as Assistant Secretary of the Senate.

Cros offered a resolution providing that the Secretary of State furnish the officers of the Senate and ceredited newspaper reporters with copies of the constitution and Political Code. Adopted. On motion of Taylor a recess was taken for a half

zing the Chair to appoint two additional pages (for he clerical force), night and day watchman, and corters. Adopted. porters. Adopted.
Keating offered a resolution granting each Sendro \$25 for contingent expenses, to be paid out of the contingent fund.
Murphy moved to refer the resolution to the Committee on Contingent Expenses. Lost.
The ayes and noes were demanded on the original esolution.

esolution.
Spencer of Napa moved to amend by making the he sum \$10, instead of \$25. He argued that the ull sum allowed by law might be required at a regular session, but thought that \$10 should be suffilar session, but thought that \$10 should be sumient for the special session, which may prove a hort one. The amendment was adopted.

The resolution as smended was then adopted.

English offered a resolution empowering the Sergent-at-Arms to appoint N. P. P. Jordan and E. acob as gate-keepers. Adopted.

The Chair announced the appointment of the following compiletoes.

Committee on Rules—Langford, Cross, McClure, ison and Del Vaile.
Jommittee on Contingent Expenses—Maddox, I Valle, Reynolds, Keating, Wallis and Spencer Reddy moved that Baldwin and Sullivan be added moved to amend by adding Brooks and

Kellogg moved to amend by adding Brooks and suck. Lost.

On calling the roll, Reddy's motion was carried.
The Chair announced the following appointments:
Pages—J. Longshore, J. W. Coffroth, Jr., J. W. Comey, J. Cronan, J. Goldstein. Watchmen-fank Jones, Jas. Castillo, Dan. Coughlin, D. J. 'bullen. Porters—J. D. Farrell, Jas. Touhey, Lem. Vilson, W. D. McGuire.
Murphy moved to adjourn until 2 o'clock to-mornormow morning. "Second the motion!" came morrow morning. "Second the motion!" came from different parts of the chamber; but as the joke began to reveal itself to members, a hearty laugh was indulged in. The motion was then altered so as to make the hour 2 o'clock P. M. Carried.

The Assembly convened at 10 A.M.; a quorum resent. The Chaplain, Rev. E. B. Ware, offered rayer, which contained some wholesome advice to the Democracy. During his reverent petition he convened that it was a cold raying and a transcent That they are governed best who are governed

which is entitled "An Act to amend Sections 3771, 3786 and 3787 of an Act entitled an Act to establish a Political Code, approved March 12, 1872, relating to revenue and taxation, and the method of the collection thereof." It is intended to prevent the maintenance of any suit or issuance of any writ by any Court or judicial officer, for the purpose of restraining the sale of property for taxes, or preventing the execution of any powers or duties of a Tax Collector, unless it he first shown by compatent evidence, and skecution of any powers or duties of a law confector, and siter notice to the Tax Collector that the tax for which the sale is about to be made has been absolutely paid to the officer entitled to receive it. Referred to the Committee on Ways and Means.

Cutter introduced the following concurrent resolutions. That we heartily indorse the postal telegraph bill introduced in Congress by Hon. Charles A. Sumner, of this State, believing it to be an eminently wise and practical measure, and one imperatively demanded by the interests of the people of the United States.

hereby instructed, and our Representatives requested, to support and by all honorable means eneavor to secure the passage of said bill.
Resolved, That the Governor be requested to forrard a copy of the foregoing resolutions to each of
ur Senators and Representatives in Congress.

By Cutter—
Resolved, That Section 10 of Article XIII. be mended so as to read: "All property shall be assessed in the county, city, city and county, town, ownship or district in which it is situated, in the nanner prescribed by law." Referred to Committee on Constitutional Amendments.

By Cutter—That Section 4 of Article XIII. of the constitution be amended so as to read: "A mortage dead of trust contract or other obligation by ected by such mortgage, deed of trust, contribbligation, less the value of such security, sh

Leverson introduced also a concurrent resolution for the amendment of Section 4, Article XIII. of the Constitution. The amendment provides for an income tax on corporations; that no elections of members to serve in the Senate and Assembly shall be held on the first Tuesday in November, 1890, but an election of eighty persons shall be held on the principal of proportional representation, which persons cipal of proportional representation, which person shall form a Constitutional Convention, to meet the shall form a Constitutional Convention, to meet the first Monday following the 1st day of January, 1891, for the purpose of revising the Constitution; the Legislature shall make provision for carrying out all elections, and for those proposed to be carried out the proportional representation shall adopt as nearly as may be the system devised by Mr. Hare; until the Legislature so provices, the Governor shall frame rules and orders for carrying out the same, which shall continue in ferce until the end of the next session, or until the Legislature makes provision for the same. The remaining portions of the proposed amendment are taken from a resolution intreduced at the last session by the same Assemblyman. Referred to Committee on Constitutional Amendments.

Cutter introduced a concurrent resolution to amend Section 22, Article XII, of the Constitution, concerning Railroad Commissioners, by striking out the words: "In all controversies, civil or criminal, the rates of fares and freights established by said Commission shall be deemed conclusively just and reasonable." It also realizes the terms.

Leverson introduced also a concurrent res

elected by almost a wnanimous vote.

At 10:45 A. M. a recess was taken till 2 P. M.

AFTERNOON SESSION. The Governor furnished the Assembly, at its re-

use of the members. Carried.

Atwell introduced a bill to amend Section 283, Article 1, Chapter I., Part 1V., of the Civil Code, being the general provisions applicable to all corperations. It amends so as to read: "A corporation is a creature of the law having certain powers and duties of a natural person. Being created by the law, it may continue for any length of time which the law prescribes; but a refusal of any corporation to comply with the laws of the State, or to pay to the State the taxes levied and assessed upon its property, or to regulate its freights, fares or tolls in accordance with the laws of this State, shall destroy its personality, and it shall be no longer entitled to proceeding the control of this State, or to the processes of any Court of this State in any action

Resolved. That the Committee on Corporations be, and it is hereby requested, to make an examination and investigation into the subject of freights and fares, and report a proposed constitutional amendment fixing the maximum rates for transportation of passengers and freights.

Leverson introduced a very lengthy bill to amend the laws relative to revenue laws and enforce more speedy collections of corporation taxes.

Leverson introduced a very lengthy bill to amend the laws relative to revenue laws and enforce more speedy collections of corporation taxes.

Leverson introduced a bill to punish for discrimination in fares and freights.

By Nicol—A bill to amend Section 526 of an Act entitled an Act to establish a Code of Civil Procedure, relative to the issuance of injunctions. By it Section 526 is amended so as to read as follows:

An injunction may be granted in the following cases: First—When it appears by the complaint that the plainfil is entitled to the relief demanded, and such relief, or any part thereof, consists in re-training the commission or continuance of the act complained of, either for a limited time or perpetually. Second—When it appears by the complaint or affidavit that the commission or continuance of the act complained of, either for a limited time or perpetually. Warned Against Raw Pork. BERLIN, March 25th .- A police edict warns the people against eating raw pork. It points NEOSHO FALLS (Ks.), March 25th.-There out that perfect cooking destroys triching. e in. Prince Jerome Napoleon and His Adherents.

days.

Destruction by Fire.

Chevenne (Wyo.), March 25th. — This

Paris, March 25th.—A meeting of the adherents of Prince Jerome Napoleon (Plon Plon) was held last night, under the Prince's

lishment of F. E. Warren & Co. took fire of Deputies, entered into an elaborate explanad was burned. The total lose is about nation of Prince Napoleon's method for a restance, with an insurance of \$90,000. The Inter-Ocean Hotel narrowly escaped destruction, the said, in substance, that when Prince Jerome announced tion. The origin of the fire cannot be traced. that his ambition was to become an emancipator, calumny brought the accusation against him that this was a mere afterthought, but Prince Jerome's ardent desire is that the power of expressing the national will shall be transferred to the people's voice.

Prince Jerome will never sanction a resort to violent measures in order to secure power. Illness of the Sultan of Turkey. CONSTANTINOFIE, March 25th .- The Sultan is seriously ill. It is feared his ailment

Another French Buel. PARIS, March 25th .- A duel was fought The amendment was modified by the omiston of the clause, specifying the offense of Chamber of Deputies, and Julet, a journalist. The former was slightly wounded. France's Indemnity Claim Against China. PARIS, March 25th .- Patenotres, the new claim an indemnity, the amount of which is

Railroad Tax in Mexico CITY OF MEXICO (via Galveston), March From Spring Valley it is reported that the house and barn of Samuel Buckles were tics and Labor, and to protect employes and barn of Samuel Buckles were servants engaged in foreign and interstate servants engaged in foreign and interstate that it will be two cents on every \$20 or fraction thereof, instead of one, as now. This is the only tax levied on railroads. A Terrible Voyage.

TORONTO, March 25th.—The log of the steamer Chateau Margaux gives the details

of a terrible voyage. The Margaux left Bordeaux with provisions for only twenty days, but meeting the Naizman she secure some provisions, but could get no other help On the 11th instant the wind blew a terrible gale, and immense waves swept continually the Senate went into executive session, and over the vessel, carrying off everything above decks and damaging a portion of the bul-warks. The gale lasted three days. Several vessels were sighted, but were unable to help the Margaux on account of the high sess and Belford the Senate bill was passed authoriz- her own rudder being in a useless condition. the waves to mountains hight, and rolled and stands, and it seemed certain that they would

ELK GROVE ITEMS.

A correspondent writes from Elk Grove under date of the 24th, as follows:

beyond calculation, to say nothing of the less of life and suffering of the people. Congress must come to adopt his bill, and if these dissenting our relief and feed our people at once. The lofts of our gin-houses and floating rafts will be our only places of abode. I believe the best mode of distribution of supplies is through the Engineer Department in charge of river improvement. They have every appliances necessary, and less waste and imposition would attend their efforts.

E. L. WHITNEY.

WASHINGTON, March 25th.—Patents were granted to Pacific coast inventors last week listened to the entertained. There seems to be a sort of charm about school exhibitions that never wears cut, and men sud women will go again and again to hear their boys and girls recite the very same piece they used to recite when they were boys and girls at school. As we sat and listened to the entertained. WASHINGTON, March 25th.—Patents were graded to Pacific coast inventors last week as follows: J. M. Beane, Tombstone, A. T., boiler scraper; W. A. Dawson, Stony Point, Cal., overalls; G. W. Dickie, San Francisco, valve-gear for hydraulic pump; G. W. Jones, Silver Creek, Cal., reverberatory ore furnace; R. W. Keller. Albion. Cal. saw-tooth: F. Silver Creek, Cal., reverberatory ore furnace;
R. W. Keller, Albion, Cal., saw-tooth; F.
W. Monroe, Oakland, Cal., composition for cleaning fabrics and wood; P. L. Nash, Hollister, Cal., grain separator; J. D. Page, Sanders, Cal., baling press; W. W. Quigly, Santa Ana, Cal, folding table; E. D. Rathbun, Williams, Cal., gate; J. M. Wiles, Butte City, Cal., rotary pump; Richard Wylie, Napa City, sidewalk curb and surface case for electric wires. of the 21st. The pupils of this school have quite a reputation for doing things of that kind beautiful, and we think appropriate, feature ergises by the pupils.

NEW ADVERTISEMENTS.

Christian Science Association will meet in the par-lors of the Langham House THIS (Wednesday) EVENING, at half-past seven. Owing to religious services during and following the week of prayer in all the churches and temperance meetings nearly every week for the past two months, the associa-tion voted to adjourn until the present time, or at the call of the Moderator. Mrs. Nusbaum will read the call of the Moderator. Mrs. Nusbaum will read a paper on "Biology," and the President of the Association will also read an article by Joseph Parker, of London, on "The Sympathies of Science." It is the keenest satire of the day on Huxley, the Moleculite; John Stuart, the Millite and Tyndall, the Sadducee. The course of lectures beforet his association will begin early in April, perhaps next week. Following are some of the lectures and their themes, "Historical Evidences of the Bible," by Dr. Specker, of San Francisco; "The Fluctuations of Science," by Dr. Alexander, of San Francisco; "The Argument of Design," by Dr. Stratton; "Culture and the Bible," by Prof. George, of the University of the Pacific; "The Debt which Science and Art owe to the Bible," by Dr. John Coyle, of Napa. Prof. H. B. Norton and others will also lecture upon some re-Norton and others will also lecture upon some re ligio-scientific subject. All the clergymen of Sar ramento, and all the teachers of the city, and a others who desire to join the Association are con-dially reconsted to ially requested to meet with us at the Laugham ; half-past 7 sharp, THIS (Wednesday) EVENING.

ture passed March 14, 1883, "to establish a day was .98 of an inch; 7.32 inches for the Koppikus and Thomas F. Lewis.

The Weather. — Sergeant Barwick respectively. The rainfall during the storm yesterday, Robert Coronado, a native of Peru, was admitted to citizenship by Judge McFarland, upon the testimony of H. G. Koppikus and Thomas F. Lewis. uniform system of county and township gov- month, 15.21 inches for the year, and 18.13 ernments," among other provisions defines inches for the season, as against 10.89 inches Lake, confirms the report that the perch are the amount of salaries of Justices and Containing Index this time last year. The rainfall by seasons there will be good fishing with hook and line stables. Under this Act Sacramento is to an equal date with the present one shows this spring in the sloughs near the city. claimed to come under the third class-that the season of 1877-8 gave 22.79 inches; The Tivoli was crowded last night to witis, to have a population between 35,000 and 50,000. The Board of Supervisors is authorized, in September, 1884, to divide the county into townships for the purposes of the Act.

1880-81, 23 97 inches; 1883-4, 18.13 inches, which is .02 of an inch more than was precitated during all of last season. The average acting is also good. Under the Act the officers of a township are two Justices of the Peace and two Constables, provided that in townships containing cities in which city Justices are elected there shall be but one Justice of the Peace. By the provisions of this Act Justices of the Peace in counties of the third class are allowed as fees: "an amount no greater than the present month has so for the seven months of the seven allowed as fees "an amount no greater than the amount of fees earned by them in crimthat was for March, 1850, when 10 inches that was for March, 1850, when it inches that was precipitated, followed by over 4 inches was precipitated, followed by over 4 inches in April. The total rainfall for the Californiasury, to be allowed and paid in the same manner as other county charges; provided, that no Justice of the Peace shall be paid in any one month more than \$150, nor more than \$1,800 in any one year." than \$1,800 in any one year."

With regard to Constables, the fees are limited to not more than \$100 in any one year. This Act with relation to these several matters will go into effect on the 1st day of January 1885.

This Act with relation to these several matters will go into effect on the 1st day of January, 1885.

At the present time there are two Justices of the Peace in this city, elected and acting under the provisions of the Code of Civil Procedure, Sections 103 et seq. passed in 1880. In these sections it is provided that in incorporated cities of over 20,000 inhabitants there shall be two Justices of the Peace, whose salaries shall be \$2,000 per annum each, to be paid out of the city treasury.

There was some question at the time whether Justices of the Peace could under the provisions of the Peace could under the provisions of the Peace could under the provisions of the Code of Civil Procedure, Sections 103 et seq. passed in 1880. In these sections it is provided that in incorporated cities of over 20,000 inhabitants there shall be \$2,000 per annum each, to be paid out of the city treasury.
